REAGAN is very outgoing and sometimes quite silly, having inherited her dad's quirky sense of humor. She loves to use an accent and has no shyness around kids or adults.

INT. MOLLY'S APARTMENT - LATER

8

Molly opens the door. Josh, looking nice and holding a bag of fast food, stands next to the precocious REAGAN (8).

JOSH

Molly! You look great in your natural habitat.

MOLLY

Thanks, the natives have finally accepted me as one of their own.

(re: Reagan)

And who is this?

JOSH

This is my--

REAGAN

Wait. You brought me on a date again, didn't you? And all you have to eat was drive-thru? Classy, Dad.

MOLLY

Did she just call you "Dad?"

REAGAN

It's just something he's insisted on for the last eight years or so.

JOSH

Molly, this is my daughter, Reagan.

MOLLY

(flustered)

Reagan? That's a pretty name.

REAGAN

Thanks. I was named after a president. But Dad won't tell me which one.

(whispers to Molly)

I think it was Reagan.

JOSH

Oh, no. You're not going to get it out of me that easy.

(whispers to Molly)

It was Reagan.

MOLLY

Well, Reagan, this is Cooper.

REAGAN

(fake British accent)

'Ello Cooper, ol' chap. How we doin', gov'nor?

COOPER

You guys are weird.

REAGAN

Thanks! Can we eat now, Dad?

MOLLY

Come on in.

REAGAN

(to Cooper)

I just want to warn you. You're probably going to hear some things about me. Rumors and stories. But don't believe them. I am absolutely not Wonder Woman.
